IT PARK, Sirdaryo, Guliston
Front-end programming

Guliston Academy, Sirdaryo , Guliston
PHP Backend programming

ITPU (IT PARK UNIVERSITY), Uzbekistan, Tashkent
IT Park School of Computer Science

EXPERIENCE

BACKEND DEVELOPER 12/2022 to Current
IT LIVE Company, Guliston, Uzbekistan

—
For two and a half months, I interned at ITLIVE as a Backend developer. During this time, I worked on two real projects and used PHP's Laravel framework for the backend of these projects.
